

PROTECT YOUR PURCHASE!

Now you can get added warranty protection for your new electronic gear. Gold Coverage steps in where the manufacturer's "normal wear and tear" ends. This plan extends your coverage up to 2 years and costs just pennies per day. Here's how it works:

- Items priced up to \$199 get a 12-month Full Replacement warranty. New gear gets shipped quickly! Any shipping costs are covered under the plan.
- Items from \$200 – choose from 12- or 24-month repair coverage that begins after the manufacturer's labor coverage ends. The plan fully covers parts and labor. It even pays all shipping charges – something no manufacturer's limited warranty covers!
- Gold Coverage is transferable from the original owner, adding value even if you plan to sell your gear down the road.
- No Lemon Guarantee – if your gear has to be repaired more than 3 times, you automatically have the choice of a full refund or replacement.
- Great service – the plan is administered by National Electronics Warranty Co. (NEW) – NEW gives you 24-hour-a-day, toll-free professional attention. Repairs are made only at factory-authorized service centers. In most cases, there's one right in your nearest metropolitan area. If you're too far away, NEW pays the shipping!

List prices

List Price is the suggested retail selling price of a product provided to us by manufacturers. We may commonly sell products at prices lower than List Price and, for any given product, no sales may have occurred at List Price. List Price is a benchmark to compare our discounts from List Price to pricing offered by other retailers. Whether other retailers sell at List Price will vary by product, geographic location, type of store, and over time. Although we periodically update the List Prices in our direct mail offerings and on our website as we receive them, in some cases manufacturers may change a suggested retail price without notice to us. Please contact the manufacturer of a specific product for the most up-to-date List Price information. List Prices quoted for house or private label brands are developed internally in consideration of comparable name brand products. We may commonly sell such products at prices lower than List Price and, for any given product, no sales may have occurred at List Price. Although our limited time events are intended to be limited time events, our low prices offered during these events may continue in effect after the event.

What's the deal with "Call for price"?

Some of our prices are so low that manufacturers have requested we not print them. In other cases, products are so new that the price wasn't available at press time. Call 1-800-776-5173 today for the latest info.
